(a) **New boiler.**

Further to Minute 19.10.09 of October 2018, the boiler has now been replaced by Dominic Smith at a cost of £2,120. A second estimate had been obtained from British Gas but this was much higher.

(b) **Soffit repair.**

Peter Eccles has reported that a soffit at the side of the meeting house was hanging down. After consultation with Premises Committee Carl Bickerton was engaged to replace the soffit at a cost of £180.

(c) **Room rates.**

Further to Minute 18.05.07 of May 2018, we agreed then to raise the rates for hiring our rooms from September 2018 but failed to say who would inform the groups of this so it was not implemented. We now agree to delay the increase to September 2019 and ask the present convenor of the Premises Committee, Jackie Barker, to ensure that groups are informed.

Further to Minute 19.02.06(b) John Stallard had agreed to become a bank signatory.
