

Disley Meeting House Premises committee meeting

22 February 2024

Minutes

In attendance: Tricia Booth, Jennifer Dale (treasurer), Taylor Giacomina (via zoom), Sergei Nikitin, Nick McHugh (warden) and Lizzy Sumner (warden), David Sumner, Ann Sumner.

1. Having discussed the two carpeting options (Carpet Retail Shop – carpet; John Barton’s – carpet tiles) the Premises Committee has decided to choose the Retail Shop option (total £5436.00). This decision will be reported to the Disley Meeting for approval.
2. It was decided to order 10 chairs with arms (article 4007 - Burgundy) and 15 chairs with no arms (article 6016 - Blue). Jennifer agreed to make the order and find out regarding Paypal payment option availability.
3. It was decided to replace the wooden gutters with the plastic gutters (green colour) which would require planning permission. It was agreed that Lizzy would find an example of plastic gutters that look the same as the current ones and then Lizzy will email the council to get their approval before we arrange for them to be fitted. Lizzy will email for the permission built.heritage@cheshireeast.gov.uk and also ask for a quote and what would be their recommendations. David Sumner will also check with his neighbour on gutters’ quote.
4. Ann Sumner contacted the Frandley Meeting about their window replacement experience and they said that they were considering 'patching' them up with new wood in places. It was decided to seek Alan Kent’s (former Disley Premises convenor) advice on whom to turn to for the advice on how much the replacement would cost.

The Premises Committee meeting started and ended with brief period of silence.
